

## GREATER AKRON HIGH SCHOOL PLAYERS REGISTRATION FORM

The Greater Akron Amateur Soccer Association will again directly register high school players for play in the league for the coming spring season. This service is provided in an effort to offer a place for these players to continue to develop their skills and to be in compliance with the current OHSAA rules regarding the number of players from the same school being registered on the same team. It is because of this rule that it is very difficult for community clubs to put together teams that are not in violation of this policy and thus many players are left out in their effort to continue to play.

Teams will be formed for both boys and girls that will play in the High School division of GAASA. Every effort will be made to include as many players as possible from the same high school together and to be in compliance with state rules. If more than five players register from the same high school, who appears on a fall roster (graduating seniors do not count), they will be divided up as equally as possible.

For Spring 2019 GAASA's goal is to form two divisions of 16U and 18U for boys and girls if possible, this is not guaranteed with single divisions or divisions based on skill. Players will be placed in their age appropriate teams. Each 18U team will be allowed to roster no more than five 19U players if they are enrolled in high school during the season. Proof of enrollment will be required.
